CONNECTING CULTURES

2022/03

## ESC VOLUNTEERS

Got labelled: we prepare to help the flow of European youth volunteers' life and work.

2021/11

## THE TECHNOGIRL PROJECT

The number of girls in STEM VET schools is very low in Hungary and Slovenia. With TGP we wish to encourage them, the institutions and decision makers to change.

2021/06

## THE HEALING DANDELION PROJECT

Holistic. Special educational house. Where children of all kind will gather.

2021/01

## LET GRASS BE OUR STAGE!

Our earlier students' and friends' concert. For the missed concerts because of the last 1,5 year and to provide the opportunity to play in front of the audience.

2021/01

## THE GENIEKID PROJECT

A child competition for helping reading comprehension and knowing Hungarian folksong-world. Super tasks, super competitors even from other sides of the border.

2020

## PANDEMIC 1.0

1, A video program for supporting children because of the missing personal contacts from school.  
2, Short zoom-howto-courses for teacher colleagues that they can join the digital life at the beginning of pandemic period.

2019

## YEAR OF ARTS

1, Along our earlier projects, we started our art courses for different ages: painting, piano, guitar.  
2, we helped resolve serious family conflicts by mediating institutional-family communication  
3, institutional request to establish a local Hungarian language development department  
4, Christmas concert with children

2018

## PARENTS' YEAR

1, As a continue of our previous projects, we spent most of our time with parental counseling.  
2, We launched our presentations on higher education opportunities, which we organized for parents at the cooperating universities to let them know what opportunities their children have.

2017

## YEAR OF BIG NUMBERS

1, We started our Hungarian language development courses for adults too.  
2, We started our demonstration lectures for parents: on health insurance, legal options, insurance, housing in Hungary.

2015

## EDUCATION COMES TO FOCUS

1, Language and subject development for children coming to Hungary

Since 2004, Ediktum Foundation has been continuously supporting the lives of Hungarian foreigners, Hungarian people and institutions come into contact with them.
